To the Parent and Grandparents of our Pre K Children, plus all South College members,

Next Sunday, September 5th, begins our new quarter and with it comes a few changes to our Pre K department. First, you'll notice the doors at the north and south ends of the old hallway will now remain closed. Please use the main entrance located in the foyer. This will be the primary way of accessing our Pre K department.

In addition to securing access to this area, we are adding additional teacher helpers. They will provide us with the help we need in greeting our members and visitors, and also will help our teachers, should special needs arise during class time.

Lastly, we ask that at least one parent/grandparent be present to drop-off and pick-up their child. No child in our Pre K department will be released to a sibling who is not at least in seventh grade without written consent.

It is our intent that these changes be a blessing to you and your children. Most importantly we want to provide a wonderful Pre K department in which you feel confident that your children are cared for both physically and spiritually. Thanks for your understanding and support in these matters.

With Brotherly Love,
Tyrel Hatfield
